Question 1

In the ancient, forbidden library, Harry Potter finds a new spell: "Informatium Retriviosa".
However, the spell is so long and complex that he cannot remember it completely. Even the index of the spell book is of enormous size.

Suddenly the book comes to life and turns to the young magician:

To use this spell please be altered:
The index has to be inverted.
For this, you need a dictionary...
yes, and what else, oh young Harry?

(An inverted index consists of a dictionary and...)

# An inverted index consists of a dictionary and...

Question 2

Once upon a time, in a land far, far away, there was a young farmer's son named "Ingolf Dietmar Ferdinand". He was only called "IDF" by all his friends because of his long name. IDF struggled with his life: What is my purpose? My brother "Thomas Friedewald" (also called TF) has found his destiny as a counting master, and my sister "Nicole Laura Paulina" (NLP) is a recognized language expert. What about me?

Suddenly, a fairy appeared to the young IDF in a dream, and suddenly he knew his destiny.

And he lived happily ever after... doing what??

(What is IDF's main job in TF-IDF weighting?)

Question 3

"We are here at the World Surfing Championships in North Carolina. The sun is shining bright, and the best surfers from all over the world are here to show their best moves."
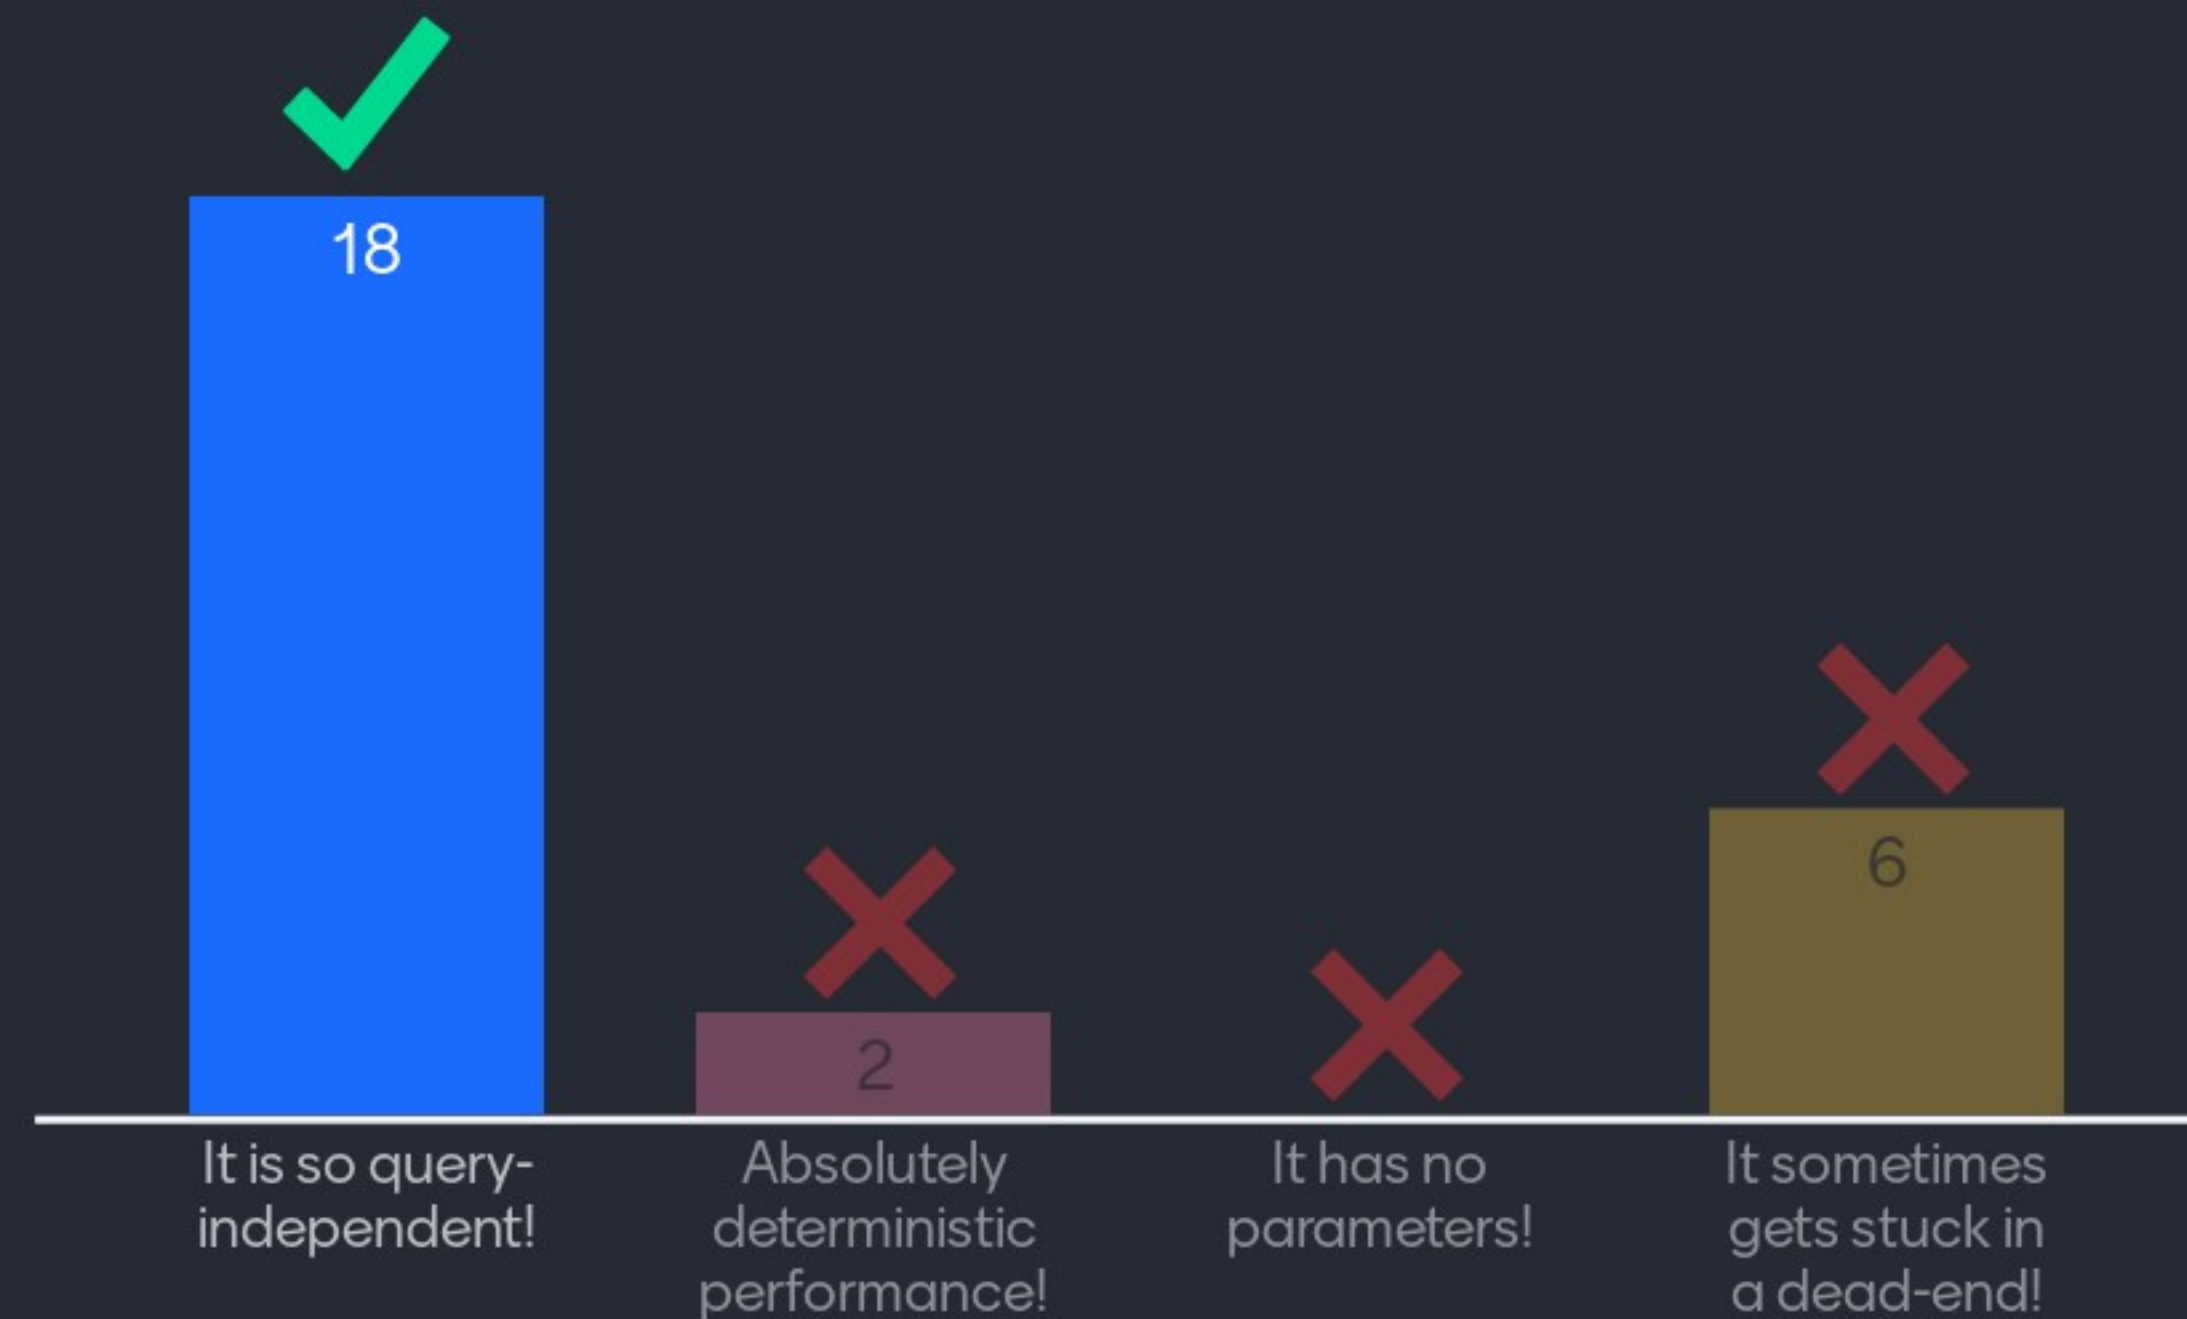

"That is right, Tom. Look, the first contestant is riding the waves right now. It is the Random Surfer from PageRank! Wow, his performance is absolutely stunning! What would you say, Tom?"

"I agree..."

(Which of these sentences applies to the random surfer model?)

Question 4

I made some toast

It's a little on the dark side
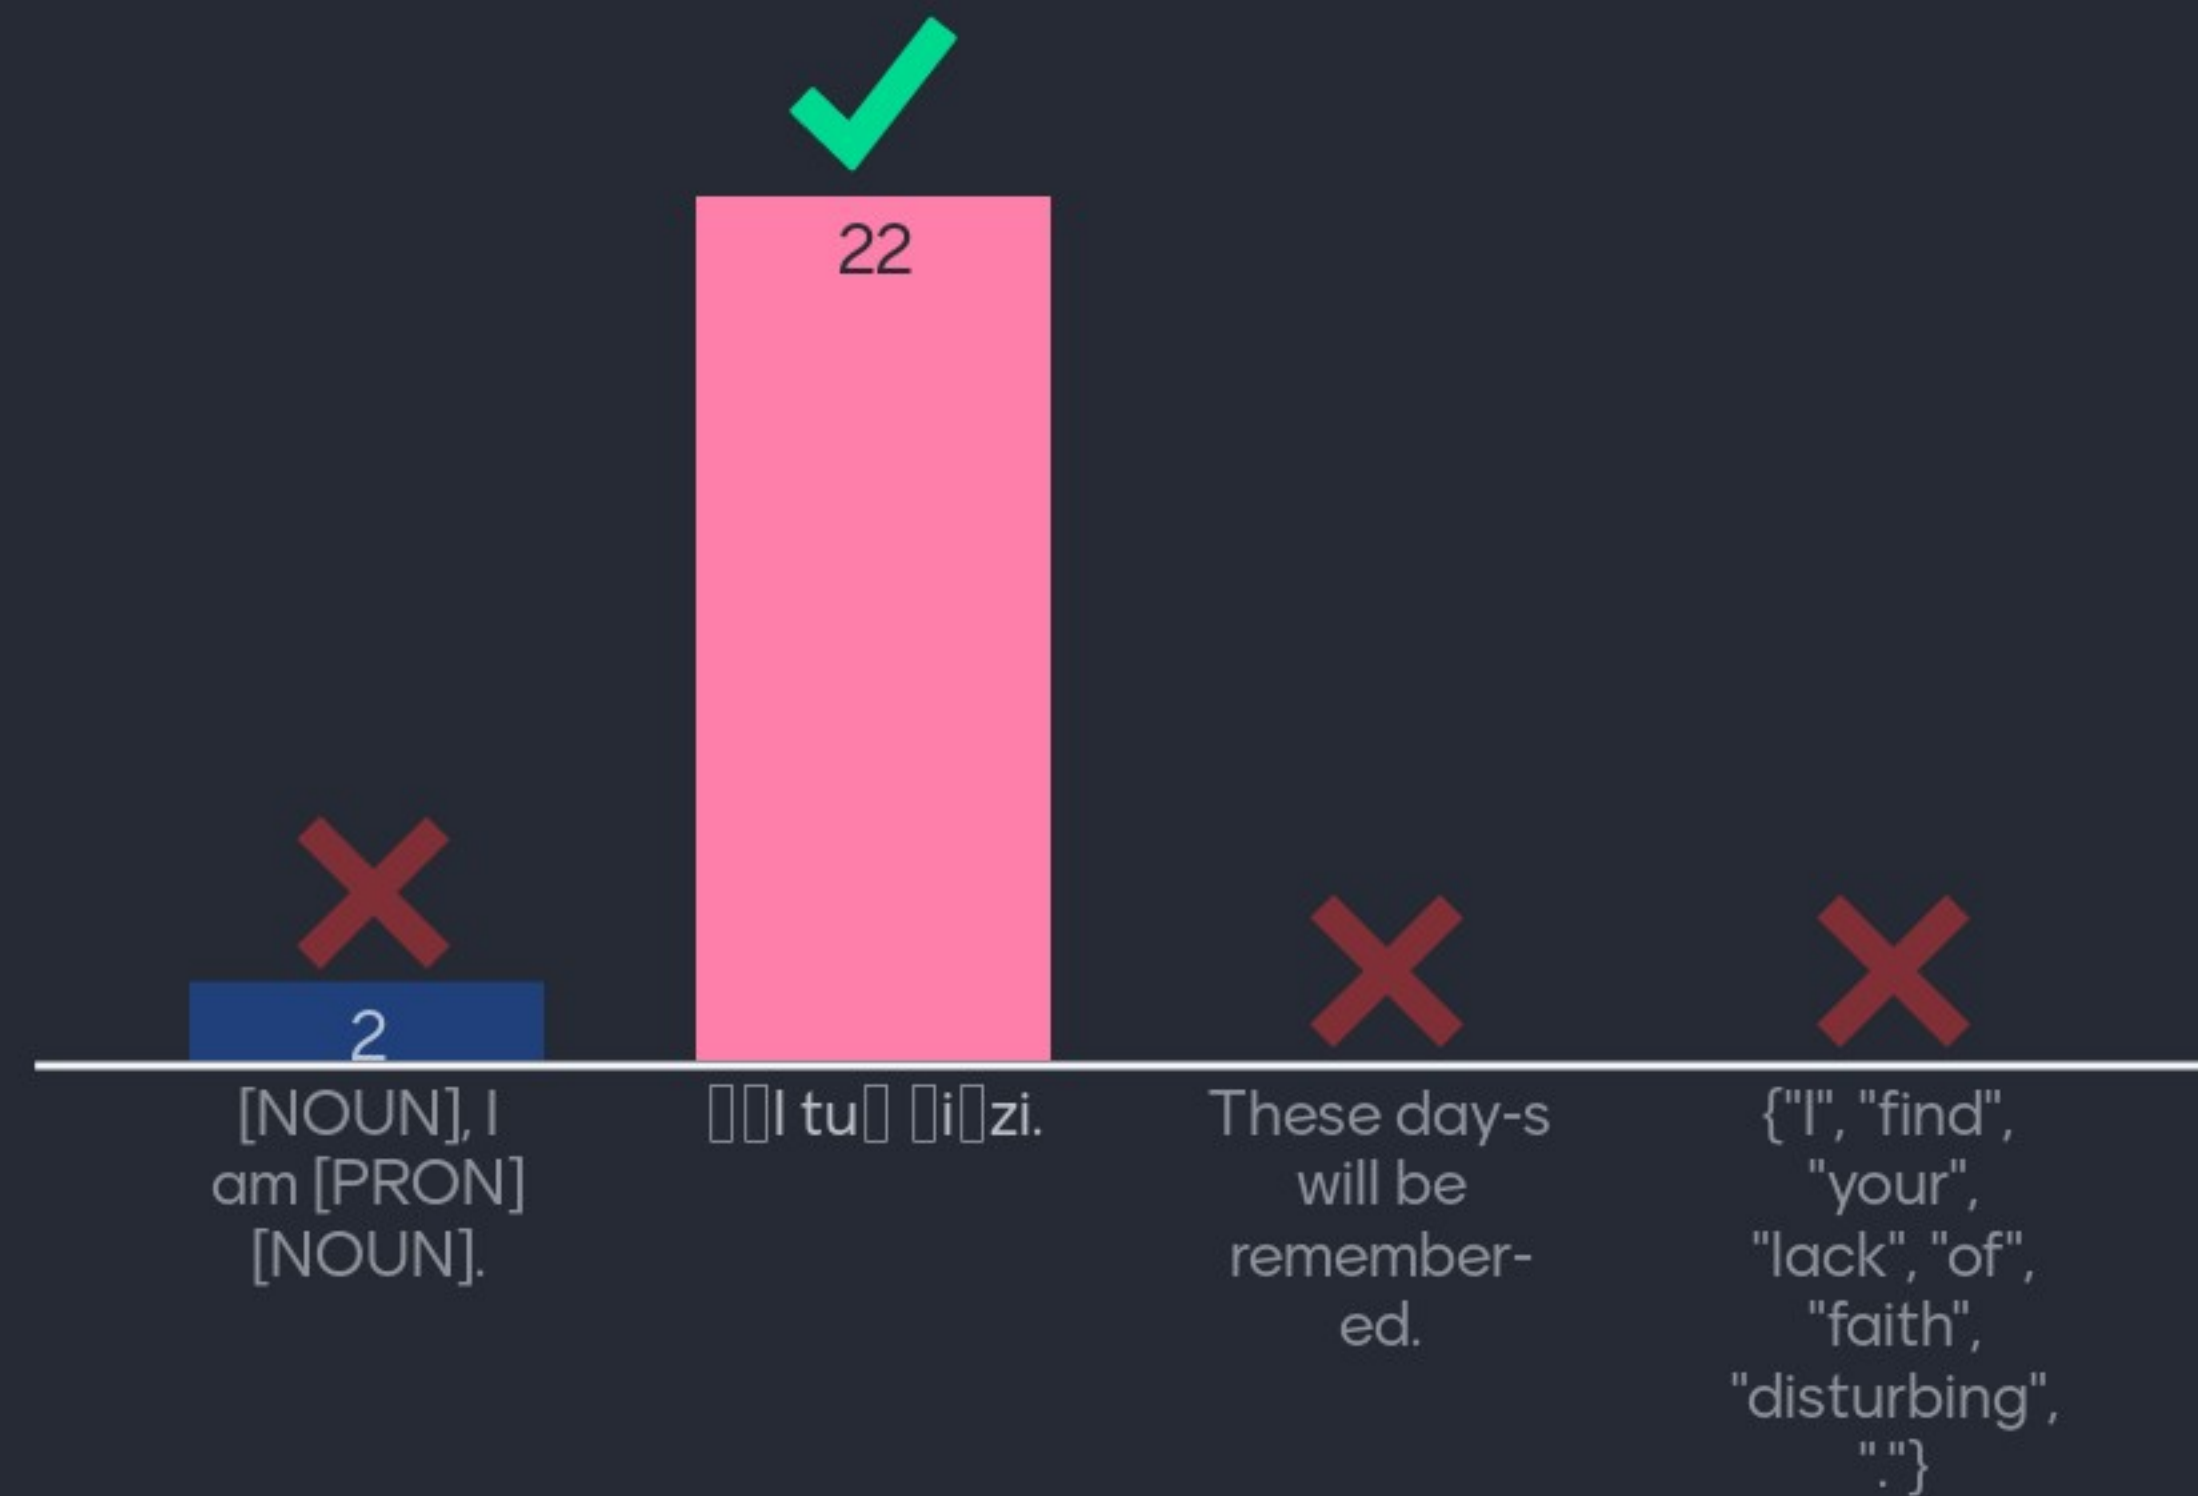

HaliPawz.com

Luke Skywalker is fighting with Darth Vader in an epic duel. Lightsabers are swooshing through the air, Luke fights with all his might, but to no avail. Luke lies on the ground, disarmed. Vader is too strong. But there - a voice from his master:

"Use the force, Luke!"

He tries to use the force on Darth Vader, but accidentally, uses the PHONETICS!

What does Darth Vader say after Luke uses PHONETICS on him?
